ARTICLE V
REIMBURSEMENT FOR STUDY

The Board will budget \$1500 for the payment of courses designed to assist the secretaries of Livingston in the advancement of their professional skills. Each secretary may arrange with the Superintendent for an evaluation of her record. Together, they will work out courses to be taken for stipend credit on her salary level on an individual basis. Payment to individual secretaries will be made upon presentation of proof of successful completion of courses which have been approved, in advance, by the Superintendent, in writing, with a copy to the secretary and a file copy. Successful completion shall be interpreted as an earned passing grade. Distribution of the \$1500 tuition fund shall be for approved courses on a first-come first-served basis and with exceptions at the discretion of the Superintendent. Maximum payment for an approved course will be \$200. However, if funds permit, secretaries may take additional approved courses for reimbursement on a first-come first-served basis.

Courses already taken will be evaluated by the Superintendent for consideration toward a stipend. Courses for consideration may be taken at approved colleges and business schools. Workshops and similar programs offered by the Livingston School District may also be considered for credit. Courses for which the Board has paid tuition may be applied as stipend credit on the salary schedule. For the successful completion of the first two sets of eight (B) credits as described above, the secretary will receive a stipend of \$130.00 to be added to her base salary. For the third and subsequent sets of eight (B) credits, a stipend of \$140.00 will be added to her base salary. Proof of attained additional stipend status will raise the rate of pay for the school year if such proof is submitted before the

REIMBURSEMENT FOR STUDY

October Board of Education regular public meeting. If change in status is achieved during the school year, proof must be submitted in time to be presented at the regular February Board of Education public meeting, and the higher rate of pay will become effective January 1 or February 1, depending on the beginning of the contracted employee's contract year.

This program is designed for professional improvement and does not imply promotional opportunities. The tuition payment program begins on the effective date of this contract and is applied to courses completed before the last date of this contract, dates of which are in the article entitled, "Duration of Agreement."

The Superintendent or his designee will submit a report to the Association President containing the following: the number of applications for reimbursement, the number of approved applications, and funds expended for reimbursement to date. These reports will be submitted by October 31 and March 31 of the year covered by the Agreement. A final report will be submitted to the Association President by July 31 for the year covered by this Agreement.

ARTICLE VI

SICK LEAVE, TEMPORARY AND EXTENDED LEAVES OF ABSENCE

A. PERSONAL ILLNESS

1. Twelve (12) days of absence per year shall be allowed for personal illness, without pay deduction, for 10-month employees; fourteen (14) days per year shall be allowed for personal illness, without pay deduction, for 12-month employees.
2. If less than the allotted number of days of sick leave are used during the school year, the balance of unused time up to ten (10) days can be accumulated for 10-month employees and up to twelve (12) days can be accumulated for 12-month employees. This unused time shall be accumulated without limit.
3. Absences beyond leave provided for in 1 and 2 will be deducted on the basis of one-third day's pay for as many days as were accumulated up to the end of the previous fiscal year.
4. Payment for absence beyond accumulated days will be taken into consideration by the Board through the recommendation of the Superintendent.
5. In all absences under this section exceeding five consecutive work days, the employee shall file a physician's certificate with the administrator to whom he is responsible.
6. In Worker's Compensation cases, whenever any employee is absent from his post of duty as a result of a personal injury caused by an accident arising out of and in the course of his employment, his employer shall pay to such employee the full salary or wages for the period of such absence for up to the calendar year without having such absence charged to the annual sick leave or the accumulated sick

SICK LEAVE, TEMPORARY AND EXTENDED LEAVES OF ABSENCE

leave. Salary or wage payments shall be made for absence during the period the employee received or was eligible to receive a temporary disability benefit. Any amount of salary or wages paid or payable to the employee pursuant to this section shall be reduced by the amount of any Worker's Compensation award made for temporary disability.

B. QUARANTINE

C. EMERGENCY ABSENCES

Emergency absence may be approved without pay deductions as follows:

1. By applicant submitting a request on the special form provided by the administrator to whom he is responsible, prior to the occurrence of the absence, is possible. If the request is not specifically provided for in "a" through "l" below, then "miscellaneous" should be checked and an explanation may be required by the Superintendent or his designee.
2. Four days may be allowed for emergency during the school year with one unused day accumulated per year for a total of not more than seven in any one school year.

- c. Unforeseen occurrences that happen abruptly and which prevent the employee from coming to work.
- d. Visits for medical or dental services that have been arranged at a prior date. This sort of leave may be used instead of using a sick day, the option lies with the employee and should be so stated in advance. However, emergency days may not be used as sick days nor to supplement sick leave when all other benefits run out.
- e. Care of an ill member of the immediate family only when no one else is available.
- f. College visitations, whether for transportation, parents' days, or other purposes will be judged individually with emphasis, as a deciding factor on the urgency of the trip.
- g. Death in the immediate family (immediate family means, husband, wife, father, mother, parent-in-law, child, brother, sister and immediate members of the household). At least five full school days will be allowed, regardless of the number of accumulated emergency days.
- h. Death of other relative.
- i. If such deaths referred to in "g" and "h" lead to exhausting of the employee's emergency days for the year, the Superintendent may accord appropriate relief.

SICK LEAVE, TEMPORARY AND EXTENDED LEAVES OF ABSENCE

- j. Court appearance, provided proof is filed with the Board of Education.
- k. Legal business that cannot be done at a time other than during the school day.

MATERNITY AND CHILD CARE LEAVES

ARTICLE VIII
GRIEVANCE PROCEDURE

A. STATEMENT OF PURPOSE

An employee is encouraged to resolve his grievance through informal discussion between the relevant parties at the lowest possible levels. If the formal grievance procedure is initiated, it shall not be mandatory to continue through all of its stages if a satisfactory resolution is achieved at lower levels. The Association shall have the right to grieve those items that are concerned with Association rights and privileges.

B. DEFINITION OF TERMS

1. Grievance: A grievance shall mean a complaint by an employee that there has been as to him a misinterpretation, misapplication or violation of any of the provisions of the contract (to which this grievance procedure is annexed) or of any policy or administrative decision.

2. Employee: Said term shall include any regularly employed individual, whether full or part time, receiving compensation from the Board. It shall not include non-contractual employees such as substitutes.

3. Exclusions: However, the term "grievance" shall not apply to any matter for which (1) a method of review is prescribed by law or State Board Rule; or wherein (2) The Board of Education is without authority to act; or wherein (3) a complaint relates to the non-renewal or termination on notice of a non-tenure employee's contract.

GRIEVANCE PROCEDURE

C. GENERAL PRINCIPLES

1. No employee participating in the grievance procedure herein outlined, whether as a party or a representative, shall be subject to coercion, restraint, discrimination, or reprisal in his employment by reason of such participation.
2. Except at Stage III, all discussions, meetings and conferences shall, insofar as practical, be conducted during normal daytime hours and without undue interference with the parties' regular duties, and maximum efforts shall be made to avoid involvement of students in any phase of the grievance procedure. It is to be expected that Stage III proceedings will ordinarily be conducted in the evening at executive sessions of the Board of Education.
3. The aggrieved shall have the right to be represented at all stages of the procedure, by himself/herself, by two (2) officers or designees of the employee unit, and/or by counsel. When an aggrieved exercises this right, written notice must be given three (3) days in advance.
4. Stipulated times provided for herein are intended as outer limits to be strictly adhered to, except in cases of closing of school or extenuating circumstances, such as illness or personal emergency, in which events the aggrieved party and his superior at the then pending stage of the grievance shall mutually agree to appropriate extensions of time.
5. This procedure generally provides for three stages of action, and in case of most employees it will operate at all stages. However, in the instance of some employees and by reason of their position within

GRIEVANCE PROCEDURE

the organizational scheme prevailing in this district, Stage I in the procedure may be eliminated. No employee shall pursue a formal grievance with a superior who is also a member of the same unit. If such is the case, the employee shall commence his grievance at the stage determined by the position of his immediate superior, and he shall follow the procedure therefore as outlined herein.

6. This grievance procedure and the administration hereof shall, in all respects, comply with the laws and statutes of the State of New Jersey and with the Rules and Regulations of the State Board of Education, and to the extent that any provision of this procedure or the administration hereof in any given case conflicts with any said law, statute, rule or regulation, then the conflicting portion of this procedure or the administration thereof in the particular case shall be null and void.

7. Determinations at the Stage II level may be made by the Superintendent or his designee, provided both the aggrieved and the Superintendent mutually agree in advance to accept a hearing and determination by such designee.

8. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

D. STAGE I

An employee having a grievance shall present it in the first instance to his immediate superior within thirty (30) school days after the occurrence of or his awareness of the event or events giving rise to

GRIEVANCE PROCEDURE

same. The presentation may be oral; however, the immediate superior shall be specifically advised that the employee is invoking the formal procedure provided for herein. The employee and the immediate superior shall attempt to resolve the grievance promptly, and in any event, the immediate superior shall advise the aggrieved of his determination within five (5) working days from the date of this original presentation of the grievance. The determination will be in writing.

E. STAGE II

In the event that the aggrieved is not satisfied with the determination arrived at in Stage I, he shall file a written petition with the Superintendent of Schools. This petition shall be filed within fifteen (15) working days from the receipt of notice of the determination arrived at in Stage I, and he shall deliver a copy of his petition to the administrator who made the determination at the Stage I level. Failure to petition within the said fifteen (15) working days shall be deemed to constitute an abandonment of the grievance and an assent to the Stage I determination.

The petition to be filed shall contain at least the following:

1. A brief description of the grievance and the essential facts relating thereto, including an identification of the provisions of the contract, board policy, or administrative decision which it is alleged have been misinterpreted, misapplied or violated.
2. The dates upon which the aggrieved first commenced Stage I proceedings and received notice of the Stage I determination.

GRIEVANCE PROCEDURE

3. The aggrieved's understanding of the Stage I determination.
4. A description of the action requested to be taken or of the relief requested to be granted by the Superintendent.
5. The signature of the aggrieved, which signature shall constitute a representation that the petition's contents are accurate and that it is filed in good faith for the purposes stated therein.

Upon receipt of the petition, the Superintendent shall direct the administrator making the Stage I determination to submit a written response to the petition setting forth his understanding of the following:

1. The nature of the grievance and the essential facts relating thereto and the provisions of the contract, board policy, or administrative decision which are alleged to be involved.
2. The dates upon which the Stage I proceeding was commenced and then determined.
3. The determination made at Stage I and the reasons therefore.
4. The signature of the Stage I superior, which signature shall constitute a representation that the determination made by him was arrived at after hearing all pertinent statements in the matter.

Both the petition and the Stage I supervisor's answer thereto shall be made available to the parties concerned.

Utilizing the petition and the Stage I supervisor's answer and all other information and data, the Superintendent shall then proceed to determine the matter, and he shall advise the parties of his determination within fifteen (15) working days from the date upon which the

GRIEVANCE PROCEDURE

Petition was first filed with him. His determination shall be in written form.

F. STAGE III

In the event that the aggrieved is not satisfied with the determination arrived at in Stage II, he shall file a petition to the Board within ten (10) working days from the receipt of notification of the Stage II determination, and he shall forthwith deliver a copy thereof to the Secretary of the Board. Failure to file a petition to the Board within the said ten (10) working days shall be deemed to constitute an abandonment of the grievance and an assent to the Stage II determination.

The Board petition to be filed with the Board Secretary shall contain at least the following:

1. An incorporation by reference of the Stage II petition and answer, copies of which shall be delivered to the Board Secretary.
2. The date upon which the aggrieved was informed of the Stage II determination.
3. Any additional matters not otherwise set forth in the Stage II petition which the aggrieved wishes to call to the attention of the Board.
4. A description of the action requested to be taken or the relief requested to be granted by or from the Board.
5. The signature of the aggrieved, which signature shall constitute a certification as hereinabove provided for.

GRIEVANCE PROCEDURE

Promptly after the filing of the petition, the Superintendent shall prepare a full and complete written report of his findings and determination made at the Stage II level, if one has not been previously prepared, and he shall file the same with the Board and deliver a copy thereof to the aggrieved.

Thereafter, the Board shall proceed to hear the matter as promptly as possible. The hearing shall be based upon the filed documents aforementioned, unless the aggrieved or the Stage II administrator requests the Board to schedule a hearing date for the presentation of other matters, in which event the Board shall do so. The Board shall then render its determination of the issue or issues presented by the grievance within thirty (30) calendar days from the date of the filing of all papers or, in the case of a scheduled hearing, within thirty (30) days from the conclusion of the hearing.

The Board's determination may be rendered orally or in writing. However, if the same is rendered orally, it shall be in the presence of the parties and an accurate summary thereof shall be made available.

ARTICLE IX

PRINTING THE AGREEMENT

Copies of the agreement shall be reproduced and the cost of such preparation shall be equally shared by the Board and the Association.

ARTICLE X

DURATION OF AGREEMENT

This agreement dated June 12, 1978 shall take effect July 1, 1978, and shall continue in full force and effect without change through June 30, 1979.

ARTICLE XI

ENTIRE UNDERSTANDING OF AGREEMENT

This agreement incorporated the entire understanding of the parties on all issues covered and provided for herein, and during the term of this agreement, neither party shall be required to renegotiate concerning said issues for the period covered herein.

In witness whereof the parties hereto have caused this agreement to be signed by their respective presidents, attested to by their respective secretaries, and their corporate seals to be placed hereon, all on the day and year first above written.
